

TIME'S UP: BETTER CARE NOW! DIRECT ACTION

April 5 at 10:45am

**College and University Ave
(southeast corner), Toronto**

Join hospital nurses and health-care professionals in a direct action to demand better care! Without better staffing and wages, we can't provide patients with the care they need. It's a matter of life and death.

Wear scrubs and dress for the weather.

**BETTER STAFFING
CARE
WAGES**
